Small Group Leaders Training Opportunity!

Do you *currently* host or lead a small group?
Do you *want to* start a *new* small group at Emmanuel?

Living in Community is essential to our health as individuals, *and as the Church.* We long to know and be known, to love and be loved. And small groups play an important role in this kind of shared life.

Join us as we engage in a renewed emphasis on *small groups* at Emmanuel!

Pastors Rob, Joan and Craig will be taking a group of interested and committed people to attend Saddleback Church's *"Community U"* Small Groups Conference in Seattle, September 24-25. (See www.saddleback.com/conferences/smallgroups/2010/ for more info on the conference.)

If you answered "yes" to either of the opening questions, we want you to consider joining the expedition!

We estimate the total cost of the trip to be about $330/person (conference registration, transportation and accommodation—not including food). *A limited number of bursaries are available for new leaders committed to being active in this renewed small groups effort over the next two years.* Contact Pastors Rob, Joan or Craig for more information.
