

Animal Planet

Animals are all around us and impact our day-to-day lives. This week we will explore different types of animals and how they are able to survive where they live. We will investigate from the largest animal to the smallest through crafts and experiments!

CAMP 4
July 25-29
9am – 3pm
Grades 1-5 Cost \$150

Rocks and Minerals

We walk on them and rarely think about them. Rocks and minerals create our earth, and we will do our best to learn about them this week. In addition to examining and differentiating between various rocks and minerals, we will also get messy by painting and hiding rocks.

CAMP 5
August 2-5 (4 day camp)
9am – 3pm
Grades 1-5 Cost \$120

General Camp Info:

Monday-Friday

- 9:00 am – 3:00 pm
- Must have lunch and snacks that do not require refrigeration or heating
- Must have proper running shoes with covered toes and backs

Score One for the Home Team

This week is all about sports! We will take some time to learn the fundamentals of various sports. With the basic skills under our belts, we will utilise our teamwork in various sport games! This week will all be about getting up and moving and working together for a win!

CAMP 1
July 4-8
9am – 3pm
Grades 1-5 Cost \$150

Myth Busters

Can we actually pull a table cloth out from under dishes? Does soda rot your teeth? Were pirate's eye patches practical? These are some of the myths we will tackle this week! We will explore the science of various myths to see which ones we can prove and disprove!

CAMP 2
July 11-15
9am – 3pm
Grades 1-5 Cost \$150

Mini Chefs

This week we will explore the science of cooking! We will get in and messy as we bake up some food (read: cookies)! Through our baking, we will talk about the science that takes all of these individual ingredients and creates something delicious.

CAMP 3
July 18-22
9am – 3pm
Grades 1-5 Cost \$150
