WEEK 1: CORES & SCORES IN SPORT

We will be exploring different sports by learning and extending skills in each sport. The goal of this week is to recognize the importance and usefulness of our bodies' core muscles in each sport. By the end of this week, we will notice how the core muscles are used not only in every sport but also in our daily lives.

Kick it, Throw it, Aim it!

July 3 – 7

WEEK 2: WATER & US

We experience water everyday, especially in Victoria as we have had rainy seasons. This week is to learn about water and play in it. We will be having fun in different parks of Victoria where they have water. We will also explore how water is used in unexpected parts of our lives including how it could save us or even possibly endanger us.
